EXPERIENCE SAN FRANCISCO LIKE A LOCAL

Forget the hustle and bustle that vacation or work travel often brings. Experience San Francisco with an inner calm and peace, and feel like a native exploring your own town. There's no better way to feel the local vibe than a welcoming stay at the Bernal Heights Landon.

If you're craving time in the great outdoors, rent a bicycle to explore the neighborhood or take a mini-hike up to the top of Bernal Hill. Bernal Hill Park, one of the largest parks in San Francisco, is a designated "off-leash" dog park, so if you're traveling with Fido, you won't want to miss this opportunity.

If intellectual pursuits are more your style, take time to browse the substantial stacks at the nearby San Francisco Public Library, newly reopened after an extensive renovation, or peruse the offerings at one of the local "mom and pop" bookstores.

Or simply spend a relaxing afternoon sipping lattes and people-watching, at one of the many award-winning bakeries in Bernal Heights. And don't miss the Alemany Farmers' Market, one of the oldest farmers' markets in the U.S., operating on Saturdays, at the southeast corner of Bernal Heights. And, of course, San Francisco's BART system will get you anywhere else you'd like to visit while in town.
