SOMETHING FOR EVERYONE

Kwun Tong, one of the largest and most populous districts in Hong Kong, creatively mixes the old with the new, providing the traveler with a refreshing variety of sights and activities. It's both a mini-metropolis, with such features as the skyscrapers of Millennium City, and a network of long-standing villages, that maintain their cultural influence and color.

In the course of a day, visitors to the Kwun Tong Landon can take a leisure walk on a pristine beach, hike on a picturesque nature trail, explore a historical trail featuring restored military remains, enjoy a fishing or leisure cruise, power-shop at one of the largest indoor malls in the region, visit ancient temples, and celebrate city nightlife.

Then, back in the Kwun Tong Landon, you can settle into sophistication and enjoy the modern conveniences that abound including in-room game consoles and unlimited movie rentals. Or perhaps you'd prefer a swim in our indoor lap pool, or a soak in one of our private window garden hot tubs, while watching the twinkling lights of the city, framed against the natural beauty of Hong Kong's mountain ranges.
